

# Sammy Keyes & the Cold Hard Cash

## *Discussion Guide for Sammy Keyes #12*

- 1) If you found a pile of cold hard cash, would you keep it or turn it in? (Be honest!)
- 2) Sammy wants to spend most of the money on other people—people who have been good to her. What would you do with a sudden windfall?
- 3) The money helps Sammy out of some jams—or does it? What are the pros and cons of her having kept the money?
- 4) Can you believe Sammy saves Heather's life?! Why do you think Heather gets so mad about it?
- 5) Even though Casey and Heather don't get along, he still feels responsible for his sister and takes care of her. Do you have brothers or sisters? Have you ever been in a similar spot?
- 6) Because of their circumstances do you think the counterfeiters were justified in printing money?
- 7) Can you think of a time where you rationalized bad or illegal behavior because of something bad that happened to you?
